

Lutheran Church of the Holy Spirit

High School

Trish Anderson is the Youth Director at Lutheran Church of the Holy Spirit. Trish and her husband, Davin, lead the high school youth group.

Our youth group may be small... but it rocks!

During the school year we have Sunday school from 9:15-10:15am, and we have our own high school room we meet in.

Being a teenager in today's world is tough... Being a Christian in today's world is also tough...

We strive to bring Jesus to life for our teenagers, by talking about why their faith and the Bible are relevant in their daily lives. Weekly lessons touch on topics like cliques, parents, peer pressure, sharing your faith, following God, and more.

We also have youth group on Thursday evenings from 6:30-8:30 at the church. This is a fun time of fellowship, where we play games, watch movies, help each other with homework, or just chat about life.

This fall we hope to kick off our first Bible Study with the teenagers too... More to come on that!...

During the school year we have one activity per month that is non-church related, to hang out and have fun. Some LCHS high school favorites include laser tag, dinner and a movie at Trish and Davin's place, and bowling.

Though there isn't Sunday school during the summer, we try to maintain contact and do fun things - one of the summer favorites is to climb 14ers with our teens!

The high school youth group also stays involved during the summer by helping out with vacation Bible School, which usually takes place at the end of July.
